LIMPOPO INTENSIFIES LAW ENFORCEMENT OPERATIONS

MEC for Transport and Community Safety Mme Mavhungu Lerule-Ramakhanya and MEC for Health Mme Phophi Ramathuba joined officers during an operation on the N1 North at Kranskop. The operation was carried out by the National Traffic Police, Provincial Traffic Police and the South African Police Services.

The operation was aimed at ensuring compliance and encouraging responsible road user behaviour among citizens of the province. In an effort to curb the spread of Covid-19 during the busy festive season, the Limpopo Department of Health performed the usual screenings for temperature and the basic symptoms of Covid-19 on site.

“I am very alarmed by the high number of accidents seen on our roads. I want to send an uncompromising warning to drivers who are speeding, and driving under the influence, and those people who do not comply with the rules of the road”. Said MEC Lerule-Ramakhanya
